I too think and Senator Luedtke I think that you know how much time and effort has been involved in this and this is the first time that we got it on the floor. It is a matter that we do need. I would urge that we go along with Senator DeCamp and extend the time today and get this finished.

SPEAKER LUEDTKE: Senator Chambers what do you wish to do because you can stop it and let it go on.

SENATOR CHAMBERS: Senator Luedtke, I talked to Senator Murphy and he gave me his word that he would hold it on Select File until I can get to it and I trust him. So, I won't try to do anything with the bill at this time.
